

## Artist Bio

Jon Morris is a Minneapolis, Minnesota based commercial and fine art photographer. Jon's commercial work focuses on large-set studio shots as well as corporate portraiture. Jon's personal work explores subtle scenics and abstracts in black and white with a unique aesthetic combining soft contrast with great detail. Jon's art is informed and inspired by the work of Brett Weston and John Sexton. Jon's work has been exhibited in venues across the country and is widely collected.
